Summary

I'm Pranay, a sophomore at Asansol Engineering College passionate about programming and design.

I am a detail-oriented person, always curious about things and enjoy learning. Actively looking for opportunities to use my skills for solving challenging real-world problems. A highly motivated individual and acquired skill in Java, Python, Web Development, attention to detail, and a solid Engineering background looking to obtain a responsible career opportunity to fully utilize my training and skills, while making a significant contribution to the success of the Organization.

Always open to synergies and collaborations. Email me at pranayguptamain@gmail.com

Experience

Student Mentor

Script Winter of Code

Nov 2021 - Present (1 month +)

Script Winter of Code is an open-source program envisioned by the Script Foundation. It aims to bring students into the world of open source development and see the power of unified problem-solving in real-time.

I will guide the students throughout their journey in this program. I will teach them the skills essential in the world of programming, all the while developing a deep appreciation for the world of open-source.

Participant - GWoC'21
